

the *Catholic* footprint

"Christ leads us to go out from ourselves more and more, to give ourselves and to serve others." ~ Pope Francis

Our faith inspires us to seek a common good. We don't help others because they are Catholic, but because we are Catholics. The Maryland Catholic Conference works in Annapolis to give a voice to those have none: the imprisoned, the immigrant, the homeless, the unemployed, the unborn child, the hungry, struggling children and families, the elderly, the sick.

Below is a snapshot of the Catholic "Footprint" in legislative **District 4**. Through our dioceses, parishes, schools, ministries, charities and individuals, we try to make our state a place of fairness for all by providing concrete resources to those in need.
